

OAASFEP

The goal of the Ohio Association of Administrators of State and Federal Programs is to serve the professional needs of those who direct, coordinate, supervise or implement specially funded education programs.

OAASFEP

- is a professional link with decision-makers in education.
- designs and offers workshops and conferences to acquaint participants with current issues related to education, with skills and information needed to improve professional competencies.
- is an open line communication among and between colleagues who have responsibility for program development, needs assessment, project management, program evaluation, accountability and dissemination.

ACTIVITIES

- Dissemination of information that stimulates personal and professional growth.
- Production of newsletters on timely topics relating to special program funding.
- Legislative advocacy that insures a coordinated effort in promoting state and federal legislation.
- Regional conferences and annual statewide conference.
- Special interest activities that improve communication among administrators in similar positions.

MEMBERSHIP

OAASFEP invites you to join with your colleagues to make the needs of education understood and appreciated, and work for full funding of all state and federal education programs.
